How to find research articles written by a nurse in the CINAHL Plus with Full Text Database

1. Select “Databases” from the library’s home page: library.mc.edu

2. Select “CINAHL Plus with Full Text” from the list of databases.
3. In the database, scroll down to the **“Limit Your Results”** section of the Advanced Search screen.

4. Check the **“Any Author is Nurse”** box and the **“Research Article”** box.
