Accessing E-books through MICAL

MC Leland Speed Library offers a number of titles in its collection as e-books, which are accessible online to faculty and students. When searching MICAL, follow the instructions below for access to these materials from any computer connected to the internet.

Notice the E-book icon that designates the item as an e-book. Select the title.
At the center of the record is a link to connect to the digital version of the book. Depending on where you are when accessing this text, you may be prompted to input your MC username and password.
